

Changing Room Policy

Please Read
Parents Ensure that your child is aware

The LTA recommends that all tennis clubs should have a policy about the safe use of changing facilities, in particular adults and children sharing facilities.

Tennis, Squash and Gyms often attract a mix of age groups at the same time, therefore, it is not possible to allocate specific time slots for use of changing rooms by adults only or by children only.

The following Policy applies to the use of our changing rooms:

- **Gender-specific changing rooms are available.**
- **Adults should avoid being alone in the changing room in the presence of children (except in the case of a child being accompanied by their parent).**
- **Children under the age of 8 may, when accompanied by their parent, use the changing room of the opposite gender.**
- **All members and guests using the changing rooms will respect the privacy of other users in the changing rooms.**
- **Bullying behaviour will not be tolerated at any time.**
- **The use of mobile phones is not permitted in the changing rooms.**
- **No valuables should be left unattended in the changing rooms.**
- **Any contravention of this policy should be reported to a staff member or committee member.**

This policy exists to provide the best possible safe guarding practices for both children and adults .

We appreciate your understanding & co-operation with this policy.
